*** Certification: Purchase covers initial first year & 5 year certification workshop attendance fees.**

Steps: a) Doctor reads and fill-in the blanks of a 12 page test, and watches the training video.

b) He practices on staff members then call AASEM support to review the test steps.

c) Then, a staff member videos him setting up and testing a 3 sites. That's the initial one year certification.

d) Doctor and staff can attend a local workshop for 5 years certification. (Details - Call - 404-309-5200)
